

## SURROUND CODE MIGRATION PARTNER

### Surround Code Migration Partner for Escalate Retail (Ecometry) Sites

Chesterville, Ontario - November 2005

Escalate Retail (formerly Ecometry) has selected MB Foster as their Surround Code Migration Partner to help their HP 3000 customers migrate code and/ or applications that sit outside of their HP 3000 Ecometry application.

Many Escalate Retail Ecometry sites have Suprtool code, web interfaces, COBOL code and accounting applications that enhance their Ecometry application, noted Birket Foster, CEO of MB Foster. "Our knowledge of the Escalate Retail Ecometry environment and the surrounding applications allows us to offer our services for the benefit of the Ecometry installed base".

#### About Escalate Retail

#### About MB Foster

MB Foster has been providing data access, transformation and delivery tools and services to Hewlett-Packard users for over 30 years. Manipulating data requires knowledge of the data repositories, and the applications that handle and store the data. Our expertise in this area is second to none.

We have, since 1996 been providing Hewlett-Packard with data access solutions for integration into Business Critical Servers (BCS) and we have been the lab for supporting and developing these products.

Our expertise and knowledge of Hewlett-Packard platforms made us the obvious choice as a selected charter member of the HP 3000 Platinum Migration Partner Program. In addition to our own expertise we have forged relationships with "best in class" partners, to ensure that we can offer our customers the best possible solutions for their migration.

MB Foster's Professional Services Team is familiar with the risks involved when migrating mission critical applications. Their knowledge of HP 3000, OpenVMS, UNIX, Windows and Linux is unparalleled and they are well versed in new technologies. With MB Foster on your team you can rest assure that your migration will be completed successfully - on time and on budget.
